## LIMITED WARRANTY TERMS

Your new Nectar mattress is covered by a Limited Nectar Forever Warranty (the "Warranty") for the full period of the original owner's ("you") ownership and use.

## WHO IS COVERED

This warranty is valid only for the original purchaser from the original purchase date of the Mattress and is non-transferable. The "original purchaser," for the purposes of this Warranty, is the first purchaser of the Mattress from Nectar or a Nectar authorized retailer. Please retain a copy of your receipt as proof of purchase and owner.

If the original purchaser sells or otherwise relinquishes ownership of the mattress to another, this Warranty terminates and the subsequent owner accepts the product "as is" and "with all faults."

## WHAT IS WARRANTED

This Warranty extends to mattresses manufactured by Nectar Sleep ("Nectar") and purchased directly from Nectar or Nectar's authorized retailers (the "Mattresses"). Some parts of this Warranty also extend to covers sold with Mattresses.

Nectar warrants the Mattress in its original packaging sold to you against the defects in material and workmanship set forth below ("Defects") for the full period of ownership by you and use by you commencing from the time your Mattress is purchased by you.

Replaced or repaired Mattresses are subject to the same Warranty as the original Mattress. For example, if you obtain a replaced or repaired Mattress the warranty term of the replaced or repaired Mattress begins from the date of purchase of the original Mattress.

## THE FOLLOWING DEFECTS ARE COVERED

Deterioration causing the Mattress to have a visible indentation greater than one (1.5") one and one half inches that is not associated with an indentation or sag which results from use of an improper or unsupportive foundation or bed base. Normal wear requires that a Mattress be continuously supported by a matching foundation or adjustable bed base with a proper bed frame sufficient to support the collective weight of the Mattress and user(s).

Any physical flaw in the Mattress that causes the foam material to evidence degradation, split or crack, despite normal usage and proper handling.

Any manufacturing defect in the assembly of the Mattress Cover.

## **THIS MATTRESS WARRANTY DOES NOT COVER**

Any product which has been subject to misuse, neglect, accident or used in violation of instructions, including instructions to place mattress on proper bed frame.

A normal increase in softness of the foam pressure-relieving material which does not affect the pressure-relieving qualities of the Mattress.

Comfort preference.

Defects caused by physical abuse or damage to the structure and/or cover material, including but not limited to, burns, cuts, tears, liquid damage, or stains.

Mattresses sold "as-is", "preconditioned", "reconditioned", "used", "returned", "previously owned", or any other similar wording indicating that the Mattress is not "new" or of "first quality", or has previously been purchased or used by another consumer.
